Deadline for Decision:

***Please email completed request forms and supporting materials to:
PHXCommunityHealth@towerhealth.org***

Decisions are based on consistency with Phoenixville Hospital's Community Benefit Plan and funding availability. Due to the availability of funds, requests may be denied even if they fit the criteria.

External agencies and organizations requesting use of property must show proof of liability insurance.

If this request is approved, I understand that I may be asked to provide Phoenixville Hospital with a follow-up report detailing how the contribution was used and how many people were impacted.

Submissions are received and evaluated on an ongoing basis and require a 60-day review period.
